

# Meldepflichtige übertragbare Krankheiten und Erreger

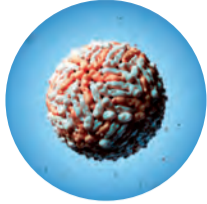

Übersicht 2016

Schweizerische Eidgenossenschaft  
Confédération suisse  
Confederazione Svizzera  
Confederaziun svizra  
Eidgenössisches Departement des Innern EDI  
Bundesamt für Gesundheit BAG

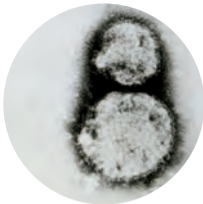

**Anthrax**  
*Bacillus anthracis*

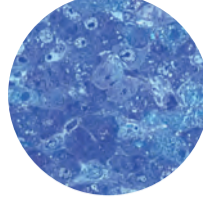

**Dengue-Fieber**  
Dengue-Virus

**Hanta-Fieber**  
Hanta-Virus

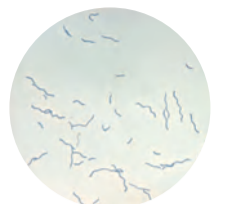

**Lassa-Fieber**  
Lassa-Virus

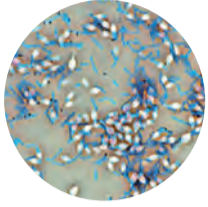

**Pneumokoken-  
Erkrankung, invasive**  
*Streptococcus pneumoniae*

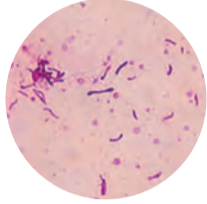

**Syphilis**  
*Treponema pallidum*

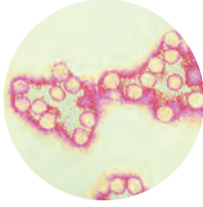

**Botulismus**  
*Clostridium botulinum*

**Diphtherie**  
*Corynebacterium diphtheriae*  
und andere toxinbildende  
Corynebakterien

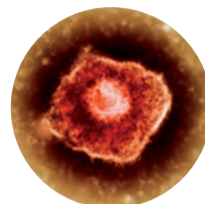

**Hepatitis A**  
Hepatitis-A-Virus

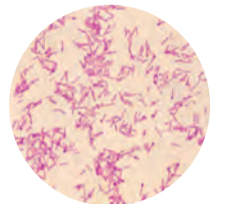

**Legionellose**  
*Legionella* spp.

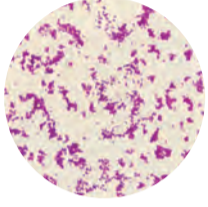

**Pocken**  
Pocken-Viren

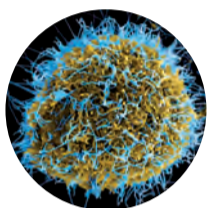

**Tetanus**  
*Clostridium tetani*

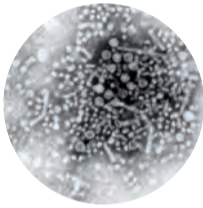

**Brucellose**  
*Brucella* spp.

**Ebola-Fieber**  
Ebola-Virus

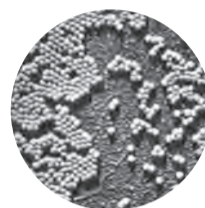

**Hepatitis B**  
Hepatitis-B-Virus

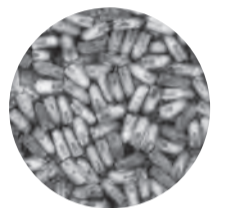

**Listeriose**  
*Listeria monocytogenes*

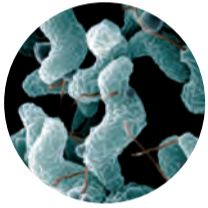

**Poliomyelitis**  
Polio-Virus

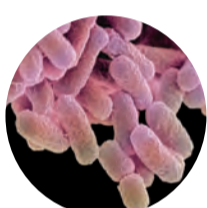

**Tollwut**  
Rabies-Virus

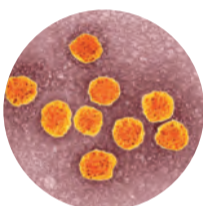

**Campylobacteriose**  
*Campylobacter* spp.

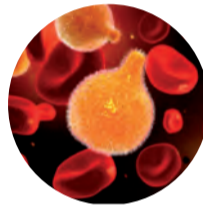

**EHEC-Infektion**  
EHEC, STEC, VTEC

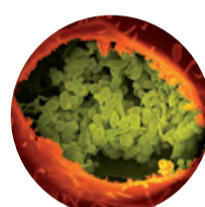

**Hepatitis C**  
Hepatitis-C-Virus

**Malaria**  
*Plasmodium* spp.

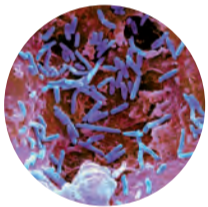

**Q-Fieber**  
*Coxiella burnetii*

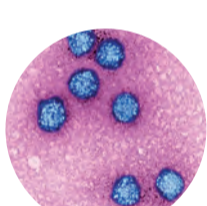

**Trichinellose**  
*Trichinella spiralis*

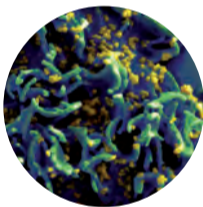

**Carbapenemase  
bildende Enterobacte-  
riaceae (CPE)**

**FSME**  
Zeckenzephalitis-Virus

**HIV-Infektion/Aids**  
HI-Virus

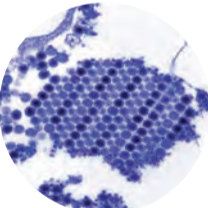

**Marburg-Fieber**  
Marburg-Virus

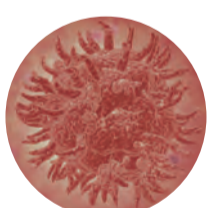

**Tuberkulose**  
*Myobacterium  
tuberculosis*-Komplex

**Chikungunya-Fieber**  
Chikungunya-Virus

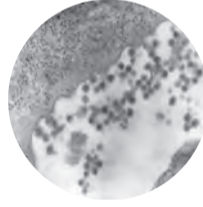

**Gelbfieber**  
Gelbfieber-Virus

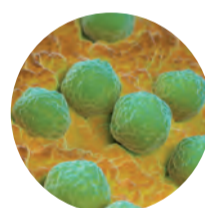

**Influenza,  
neuer Subtyp**  
Influenza-A-Virus, HxNy  
(potenziell pandemisch)

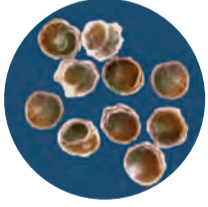

**Masern**  
Masern-Virus

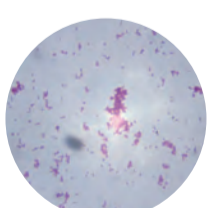

**Röteln**  
Röteln-Virus

**Chlamydiose**  
*Chlamydia trachomatis*

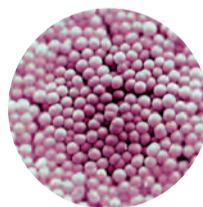

**Gonorrhoe**  
*Neisseria gonorrhoeae*

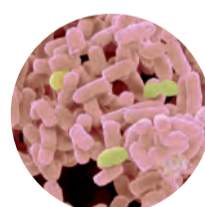

**Influenza,  
saisonale Grippe**  
Influenza-Viren

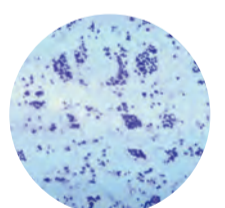

**Meningokokken-  
Erkrankung, invasive**  
*Neisseria meningitidis*

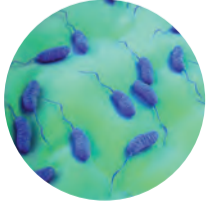

**Salmonellose**  
*Salmonella* spp.

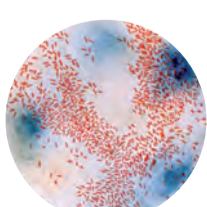

**Tularämie**  
*Francisella tularensis*

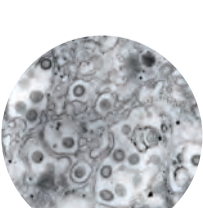

**Cholera**  
*Vibrio cholerae*

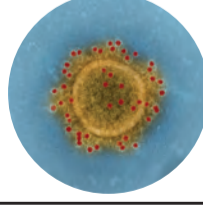

**Haemophilus  
influenzae Erkrankung,  
invasive**

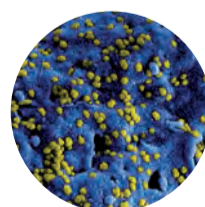

**Krim-Kongo-Fieber**  
Krim-Kongo-Virus

**MERS**  
MERS-Coronavirus

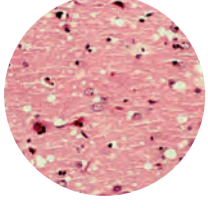

**SARS**  
SARS-Coronavirus

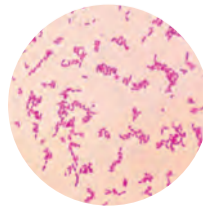

**Typhus abdominalis  
Paratyphus**  
*Salmonella  
typhi / paratyphi*

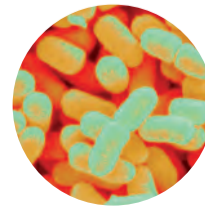

**Creutzfeldt-Jakob-  
Krankheit**  
Prionen

**Pest**  
*Yersinia pestis*

**Shigellose**  
*Shigella* spp.

**West-Nil-Fieber**  
West-Nil-Virus
